About this workshop, Curious Minds Co. and Michelle Walker

This workshop is a hands on, activity based session that will help you understand and apply the core elements of visual thinking and graphics to approach your existing work or business context.

Michelle Walker specialises in the field of graphics practice, creative and visual thinking which she brings to strategic planning, change management and team building.

Michelle has designed and delivered training programs to government, not-for-profit and community. She is passionate about sharing her knowledge and experiences about the growing field of visual thinking and graphics practice.
