

You're invited to play FLOW GAME

Sunday 11 December 2016, 10am-2.30pm
Annerley, Brisbane

Do you have an important personal question to explore?

The **Flow Game** is a unique opportunity to give and receive wisdom on questions that are important to us, in a safe, supportive environment. Its purpose is to ground, strengthen and bring clarity and flow to you, your life, leadership and actions.

In December, a small group of new Flow Game hosts is being trained in Brisbane by one of the game's international stewards, Mary Alice Arthur. We invite you to join us on the final day of our 3 day training to experience the Flow Game for yourself.

You will have the chance to explore a question that has meaning to you in your life or work right now, in a Community Flow Game. You will also be supporting newly trained hosts to practice hosting, guided by Mary Alice and experienced hosts.

To participate, we ask that you have a clear intention or question to explore with old and new friends. During the game, we'll jointly reflect and share knowledge related to your question or intention. We will play multiple games in parallel, each in small groups of 4-6.

Come and spend the day in the cool of Annerley Hall, and play the Flow Game with us!

Your RSVP is important

“Flow Game is a wonderful way of really connecting with people and talking about some important issues in your life. (It) creates a wonderful atmosphere of togetherness and mutual growth in an inoffensive and non-pressured way. I can't wait for the next time to play the Flow Game!”
